Item 9. Undertakings.

1. The undersigned registrant hereby undertakes:
 - (a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; *provided, however*, that paragraphs (a)(i) and (a)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by us pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of our annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to our directors, officers and controlling persons pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by any of our directors, officers or controlling persons in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of our counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by us is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

VMware, Inc.

Palo Alto, CA 94304

Ladies and Gentlemen:

I am the Vice President, Deputy General Counsel and Assistant Secretary of VMware, Inc. (“Registrant”), and I am issuing this opinion in connection with the filing by the Registrant of a Registration Statement on Form S-8 (“Registration Statement”) with the Securities and Exchange Commission (“Commission”) covering the offering of up to 20,151,963 shares (“Shares”) of the Registrant’s common stock, \$0.01 par value per share (“Common Stock”), authorized for issuance by the Registrant under its Amended and Restated 2007 Equity and Incentive Plan (“Equity Plan”) and Amended and Restated 2007 Employee Stock Purchase Plan (“ESPP” and, together with the Equity Plan, the “Plans”).

I am qualified to practice law in the State of California. This opinion is limited in all respects to the General Corporation Law of the State of Delaware (“DGCL”), and I express no opinion with respect to the applicability thereto, or the effect thereon, of the laws of any other jurisdiction or as to any matters of municipal law or the laws of any local agencies within any state. I am not licensed to practice law in the State of Delaware, and my opinions as to the DGCL are based solely on my review of standard compilations of such law.

In connection with the foregoing, I have examined and am familiar with the Restated Certificate of Incorporation of the Registrant, the Amended and Restated Bylaws of the Registrant, the Plans, the corporate proceedings with respect to the issuance of the Shares, the Registration Statement, and such other certificates, instruments and documents as I have considered necessary or appropriate for purposes of this opinion.

For the purpose of the opinion rendered below, I have assumed that in connection with the issuance of the Shares, the Registrant will receive consideration in an amount not less than the aggregate par value of the Shares covered by each such issuance. In my examination, I have assumed the legal capacity of all natural persons, the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as certified, conformed or photostatic copies, and the authenticity of the originals of such copies.

Based upon and subject to the foregoing, I am of the opinion that when (a) issued and delivered by the Registrant in accordance with the terms of the Equity Plan, and (b) paid for in full in accordance with the terms of the Equity Plan, the Shares will be validly issued, fully paid and non-assessable.

I consent to the filing of this opinion as an exhibit to the Registration Statement. In giving such consent, I do not thereby admit that I am in the category of persons whose consent is required under Section 7 of the Securities Act of 1933, as amended (the “Securities Act”), or the rules and regulations of the Commission. This opinion is for your benefit in connection with the Registration Statement and may be relied upon by you and by persons entitled to rely upon it pursuant to the applicable provisions of the Securities Act.

Very truly yours,

/s/ Craig Norris
